

# BASIC INFORMATION about the SPEAD

## *The Spiritual-Educational Analysing Disc*

Together with the Angel Symbols for Children the SPEAD is a tool in communication/conflict solving/transformation for:

- \_ understanding and solving disputes
- \_ revealing the unspoken
- \_ recognizing and solving of blockages
- \_ building bridges to positive communication
- \_ working on positive/constructive criticism and conflict solving
- \_ supporting group dynamic processes
- \_ telling the essential from the not essential
- \_ starting and supporting changes in development

**The SPEAD can also be used as a Protection Circle for:**

- \_ protection of children and adults on different levels of awareness
- \_ development support (supporting perception and language, etc.)
- \_ development assistance
- \_ supporting the family (for example, spiritual family settings with protection circles)
- \_ healing of the Inner Child

The SPEAD also serves as a monitoring/analyzing aid for situations and persons, for example:

- \_ analyzing different types of learners
- \_ detecting and supporting undiscovered spiritual perception skills
- \_ difficult and extraordinary circumstances in life (e.g. divorce, loss)

**The SPEAD can also be used as a tool for analysis and transformation in the following areas:**

- \_ ADHS
- \_ sexual abuse
- \_ burnout
- \_ mobbing
- \_ disabilities
- \_ behavioural problems
- \_ illnesses
- \_ etc.

## Handicraft instruction for the SPEAD

This disc, developed by Beate Fallaschinski, forms the centre of problem analyses in Spiritual Education. It is used within families, for teaching and therapy, but also as a transformation tool in therapy work with the Inner Child. It is based on the energized Angel Symbols for Children by Ingrid Auer.

## eWorkshop "Spiritual Education" with Ingrid Auer

This eWorkshop (online) covers a number of important aspects of Spiritual Education, as developed by Ingrid Auer and Beate Fallaschinski. The SPEAD, the spiritual-educational analysing disc, is central. We are very glad to be able to make our Spiritual Education accessible to a wide public in this way.
